

Become a Patient Family Advisor

Want to make a difference in the development of the Transgender Youth Program?

The Transgender Youth Program is seeking Patient Family Advisors to bring the patient and family voice and perspective to all aspects of planning and decision making at The University of Vermont Children's Hospital. Our patient and family advisors become part of our team on committees and workgroups designed to improve patient care.

Upcoming Events in the Community

TRANSLATING IDENTITY CONFERENCE

- Date:** Oct 14, 2017
- Time:** 9:00 am - 6:00 pm
- Location:** Dudley H. Davis Center
590 Main Street
Burlington, VT 05405
- Cost:** FREE (registration still required)

YOUTH SPACE

This year, the Translating Identity Conference is offering a youth space that we hope will serve two purposes: provide queer and trans-youth a space to commiserate and decompress with each other while watching a movie, crafting etc. and provide a safe space for parents and caregivers to leave their little ones so they can attend conference sessions. The space will be open from 9 am to 5 pm for youth under age 18 and will be staffed by volunteers from the UVM College of Education and Social Services.

FIND OUR PATIENT FAMILY ADVISORS TABLE

The Patient Family Advisory Committee is excited to announce they have secured a table at the event to highlight the Transgender Youth Program work here at The University of Vermont Children's Hospital and would love as many of you as possible at the event.
