

Thank You!

THE
University of Vermont
Children's Hospital

\$1,454,230

Total Dollars Raised

From our tiniest patients in the Neonatal Intensive Care Unit (NICU) to our budding teenage patients, we pride ourselves on providing patient- and family-centered care at the University of Vermont Children's Hospital.

Thanks to the generosity of donors like you, we have raised \$1,454,230 this year. With these gifts, we are able to continue providing our young visitors with optimal care while investing in groundbreaking research to further improve child health care at the UVM Children's Hospital.

We are grateful for your ongoing support of our youth and we look forward to continuing to provide the most up-to-date research, technology and compassionate care in a child-friendly space.

There are many ways to support The University of Vermont Children's Hospital. To learn more about ways that you can participate, please visit: uvmhealth.org/giveUVMCH

The art in this piece was created by a pediatric patient who participated in *Art From the Heart*. Through *Art From the Heart*, waiting areas, hospital rooms and infusion bays become temporary art studios for patients and their families. The hospital environment is transformed, and gentle, playful activities help everyone feel better through art mediums.

Statistics are for our campaign fiscal year 7/1/2018-6/30/2019
