

# COVID-19 Grief Support Group

In acknowledgement of the unprecedented and profound challenges associated with a loss due to COVID-19, Home Health & Hospice is offering a bereavement support group to connect people who share this experience.

Our hope is to provide support with navigating the unique grief of a COVID-19 loss. Coming together to share our experiences and support one another is a way to strengthen ourselves and foster ongoing connections.

Please consider joining our free weekly Zoom meetings, starting Monday April 6. For more information about how to join this meeting please contact Ally Parker at (802) 860-4497 ext.3405 or [Allyson.Parker@uvmhomehealth.org](mailto:Allyson.Parker@uvmhomehealth.org)

**FACILITATOR:** Ally Parker, MA, bereavement counselor

**WHEN:** Mondays 6 to 7 pm

**TO JOIN** please contact Ally Parker in advance.
