On May 13, 2020 the UVMHC laboratory will begin reporting blood lead testing results to the tenths instead of whole numbers. This reflects the accuracy and precision of our atomic absorption method. The ordering codes and process remain the same.

<u>Test Name</u>	<u>Epic Order Code</u>

If you have any questions concerning this change, please contact Dr. Clayton Wilburn (clayton.wilburn@uvmhealth.org) in the UVMHC laboratory.
