

Open Enrollment is your annual opportunity to review your current benefit elections and make any changes for the upcoming year. During this period, you may add or remove eligible dependents and change your benefit elections. We encourage you to spend time reviewing your benefit options for 2021 to make sure that you have selected the benefit plan that best meets the needs of you and your family.

If you choose not to take action, your existing coverage options will roll over into the next year. The exceptions are the Health Care and Dependent Day Care Flexible Spending Account (FSA) options, which require you to actively re-enroll each year.

Important Date Reminders

Open Enrollment is **December 1 through December 16, 2020**.

Enrollments, including any changes, take effect **January 1, 2021**.

Benefit Plan Information can be found in the 2021 Benefits Policy Guidebook on the intranet.
