RIDE PHAT, RIDE SAFE

A person wearing a full-face helmet and a dark jacket is riding a Can-Am ATV on a sandy trail. The ATV is black and silver with large, knobby tires. The rider is leaning forward, and the vehicle is kicking up a cloud of sand. The background is a blurred green field with trees in the distance.

Supervise riders younger than 16!

The American Academy of Pediatrics (AAP) recommends that children under 16 who are too young to have a driver's license should not be allowed to operate or ride off-road vehicles.
