TITLE: Resident/Fellow Promotion

POLICY STATEMENT: UVM Medical Center provides guidance to each program to define criteria for promotion.

PROCEDURE:

- Each program must establish written criteria for resident/fellow promotion to the next level of training.
 - Evaluations, milestone progress, procedure logs, and any other available information or factors, provide the basis for determining whether a resident/fellow is ready for advancement to the subsequent year of training or ready to graduate from the program.
- The program director, in consultation with the program's Clinical Competency Committee, has the final responsibility for resident and fellow evaluation and promotion decisions.

DEFINITIONS:

Promotion means advancing to the next level of training.
