Path Review – Hematology Smear Request Update

UVMMMC

UVMMMC's Path Review – Hematology smear request (HEMCOM) is a request for a pathologist to review a slide and report their findings. An Ask at Order Entry (AOE) question, "Indication for Review", has been added to this orderable (see below for updated test build). For each request, an order for a CBC or CBC with differential must be included. This request is subject to part B Professional billing.
