

# Legionella Culture Inactive

C. Wojewoda, MD  
Medical Director  
Microbiology  
Phone: 847-5140

Due to low test volumes and low positive yield Legionella Culture will be discontinued on 8/29/2018.

Legionella Urine Antigen test has a 95% specificity and sensitivity and is available in the Microbiology Laboratory at UVMHC. If a culture is warranted, it can be sent to Mayo Medical laboratories.
