

UVM Dermatology Summer Newsletter: 2018

1. With a heavy heart we bid farewell to **Jamie Alpert**, whose retirement party was held at the UVM alumni house in late June. She was such a tremendous joy to work with, as all know. We were happy that she and Jeff flew off to France the next day, and look forward to seeing them many times again in the decades ahead. (See attached photos: with most of faculty, with Jeff & Sabrina, and with Aliza Fischer, Jamie still as youthful-looking as a recent graduate!). jalpert@gmavt.net
2. Our end of year academic celebration took place at Shelburne Farms, mid-June. Congratulations to graduates **Emily (Farrell) Shaughnessy**, who joins Dartmouth-Hitchcock, **Aliza Fischer** and **Ankit Gor**, both of whom are staying on with us, and **Ivy Norris**, now the Mohs fellow at MUSC in Charleston. Our dermpath graduate **Jamen Bartlett** joined a practice in Cincinnati, OH, Mohs graduate **Matt LeBoeuf** is also going to Dartmouth-Hitchcock, and our international Mohs fellow **Yoav Metzger** will return to the Tel-Aviv Sourasky Medical Center. (Group pic attached)
3. We welcome **Alexandra Charos** (Temple) and **Lucy Ledyard** (U North Dakota), our new residents for the class of '21. The new Mohs fellow is **Kathryn Potter**, fresh out of U Florida residency, and the dermpath fellow is **Tom Rogers**, a UVM path graduate. (pics attached)
4. We congratulate our most recent additions through this year's match, the Class of '22: **Dan Bax** (SUNY Buffalo) and **Carli Whittington** (U Louisville).
5. Congratulations to our 2018 UVM COM grad who landed derm residency: **Apoorva Trivedi** is going back to his hometown, matching @ U Mass.
6. The VT Derm Society's Annual Meeting is **Thurs September 6** with guest lecturer **Misha Rosenbach** from Penn. <https://www.med.upenn.edu/apps/faculty/index.php/g275/p6213381>

Many of you have heard Misha's excellent talks at Stowe, the AAD, or Atlantic Derm meetings in the past. His areas of interest include granulomatous diseases, severe drug eruptions, neutrophilic dermatoses, and hospital consultative care.

Same format as prior:

2:00 – 2:30 PM - Patient viewing, East Pavilion 3 clinic

2:30 – 3:00 PM - Case discussions, Trainer Conference Room

3:00 PM - Lectures, Trainer Conference Room

5:00 PM - Social function, East Pavilion 3, Garden Atrium

7. Please carve out time to continue to honor Paul Krusinski's legacy and celebrate our camaraderie at the **30th Eastern Winter Dermatology Conference, FEB 7-10, 2019 (note the academic format will change to Fri, Sat, Sun)**. Once again, the venue is the classic Stowe Mountain Lodge <https://www.destinationhotels.com/stowe-mountain-lodge/resort>, and we look forward to reconnecting with everyone. *Plans are underway for an alumni reunion (roster attached) that Thursday afternoon/evening.* We greatly enjoyed seeing those able to attend the meeting earlier this month.
8. **Christine Weinberger** graciously organized a volunteer prepared dinner to support families staying at the American Cancer Society's Hope Lodge in June. In addition to donated items from others, 4 dudes lent help in the kitchen. (see attached pic).
9. UVM Derm monthly (1st Thurs afternoon) Grand Rounds will resume Aug 2, 2018.
10. Glenn encourages you to make an annual donation to our residency program. Know that you have our trainees' sincere and lasting gratitude.

Always let us know if there's anything we can do for you, the "Long Green Line" of UVM Derm!

Joe Pierson

UVM Derm

Residency Program Director
